2019 Pinot Gris

Our blend of estate and locally sourced Pinot Gris is delicate and refreshing with notes of peaches and lemon-lime. With a light tang it's a perfect pair with your favorite seafood and salad. What's surprising is that this grayish-purple grape is also a mutation of Pinot Noir. Pinot Gris is famous for its refreshing citrus flavor and zesty acidity. Is there a difference between Pinot Grigio and Pinot Gris? No, not technically speaking. They are the same. *Since the grape has had cultural significance in both Italy and France, we use the words 'Pinot Gris' and 'Pinot Grigio' interchangeably*

Chardonnay 2019

Our 2019 Vintages is 75% stainless steel fermentation and 25% barrel fermented. This creates a perfect blend of clean crisp [tropical fruit, such as pineapple and banana with sweet vanilla and medium body created by the oak.

This is a 100% estate produced wine. The chardonnay grape grows very well here in our vineyard. The limestone and rocky soil of the vineyard make for ideal growing conditions for this stable grape.

2019 Rose

This vintage is a refreshingly balanced display of lemon zest. Fuji apple, and oranges. The granite soil on our Estate lends an inherent minerality to the body and palate our vineyard is known for. Enjoy the natural acidity with an array of foods and seasons.

Rosé happens when the skins of red grapes touch wine for only a short time. Where some red wines ferment for weeks at a time on red grape skins, rosé wines are stained red for just a few hours. The winemaker has complete control over the color of the wine and removes the red grape skins (the source of the red pigment) when the wine reaches the perfect color. As you can imagine, nearly any red wine grape (from Cabernet Sauvignon to Syrah) can be used to make rosé wine, however there are several common styles and grapes that are preferred for rosé. Our is made with a Pinot Noir blend.

2019 Dragonfly Red Blend

Our 2019 Dragonfly red blend is 64% Syrah and 36% Cabernet Sauvignon. With aromas of blackberries your plate will be awakened with the defined tannins and elevated acidity.

Lingering notes of coffee are balanced with the sweet fruit in the vintage.

A dragonfly is a symbol of change, transformation and self-realization. It teaches us to love life, to rejoice and have faith even amidst difficulties. The flight of a Dragonfly can be seen in our famous "g" logo.
